Playground Charter

The current playground charter was discussed at length. It was agreed that the old posters were in need of changing and that the language of some of the points might be difficult for younger children to understand. All children discussed and suggested suitable inclusions and improvements that should be made.

Mrs Wood agreed that the new charter was more appropriate for all ages and offered to update the poster, print out, copy, back and laminate for distribution.

It was agreed that the Steering Group would present the new playground charter in Thursday's KS2 assembly.

Ellie Charlesworth to produce a short PowerPoint presentation.

All Steering Group to then attend the KS1 assembly on Tuesday 22nd January in order to share this information with all of the infant children also. Mrs Wood to discuss with KS1 teachers.

The Steering Group agreed to meet at Friday lunchtime in order to distribute the posters to the relevant places, which were agreed as; library, kitchen door, gates, fences, trim trail, field and in each classroom.

Ellie Charlesworth raised the question of the updating of the esafety charter. It was agreed that this should be the main focus for the next Steering Group meeting.

Steering Group agreed the need for the next meeting to be held in the next two weeks. Date to be confirmed.

Mrs Wood thanked everyone for their attendance and with no other business, the meeting was closed at 1.00pm.
